

Behind the Meter Renewable Generation

Rates and Charges

The following Rates and Charges apply to members who are wanting to install behind the meter renewable generation:

- ***\$500.00 Application Fee*** – *This fee is due upon submission of the interconnection agreement and supporting documentation required to perform the appropriate engineering study.*
- ***\$500.00 Engineering Fee*** – *This fee is also due along with the Application Fee.*
- ***\$400.00 Inspection/Commissioning Fee*** – *This fee is due prior to scheduling the interconnection of the renewable energy system. Once Pennyrile Electric has completed the inspection and commissions the system, it will be placed into service.*

All fees associated with behind the meter renewable energy installations are non- transferrable non-refundable and are subject to change. For any questions, please contact the Member Services Department at (270) 886-2555.
